1. **APPLICATION FOR SERVICE**: Each prospective customer desiring service will be required to complete and sign a Tupelo Water & Light standard form of application for service or contract before service is supplied. Prospective customers are required to provide two (2) forms of identification including: at least one (1) picture identification and a copy of lease agreement, rent receipt or deed.

The applicant must agree to pay for service as measured by the City's meter according to applicable rates. The applicant agrees to permit authorized agents of the City free access to the premises of the consumer for the purpose of inspecting, reading, repairing or removing property of the City.

The City shall have the right, but shall not be obligated, to inspect any installation before water and electric service is introduced, or at any time thereafter and reserves the right to reject any wiring or appliances not in accordance with City's standards. The inspection or failure to inspect or reject shall not be regarded as an insurance against defects in installation, wiring or appliances and shall not render City liable or responsible for any loss or damage, resulting from defects in the installation, wiring or appliances, or from violation of the City's rules and regulations or from accidents which may occur upon consumer's premises.

The applicant agrees that this application is subject to the City's Rules and Regulations, a copy of which is open for inspection at the office of the City, and that these Rules and Regulations are a part of this agreement. In the case of default of payment applicant agrees to pay any legal interest due, together with any collection agency costs and reasonable attorney fees incurred to effort collection on this account and any subsequent location.

2. **DEPOSIT**: Each customer is required to pay a meter deposit for each service. Meter deposits are refunded to residential customers who maintain a perfect pay record for a period of twenty four (24) months. Upon termination of service, deposits are applied to customer's accounts against unpaid bills of customer, and if any balance remains after such application is made, the balance shall be refunded to customer. A letter of credit issued by a local bank can be accepted for commercial/industrial customers only.

Additional deposits may be required if service is discontinued for non-payment equal to two (2) months average billing on residential accounts.

3. **POINT OF DELIVERY**: The point of delivery for electricity is the point, as designated by Tupelo Water & Light Department, on the customer's premises where current is to be delivered to building or premises. All wiring and equipment beyond this point of delivery shall be maintained by the customer. The point of delivery for water service shall be the customer side of the water meter. The point of service delivery for sewer shall be the sewer tap on the city sewer main.

4. **CUSTOMER'S WIRING STANDARDS**: All of the customer's wiring must conform to municipal requirements and accepted modern standards, including the requirements of the National Electrical Safety Code, the National Electric Code, and the City Electric Code.

5. **INSPECTIONS**: The Tupelo Water & Light Department shall have the right, but shall not be obligated, to inspect any installation before electricity is introduced, or at any later time, and reserves the right to reject any wiring of appliances not in accordance with the Tupelo Water & Light Department's standards, but such inspection or failure to inspect or reject shall not render the City of Tupelo liable or responsible for any loss or

damage resulting from defects in the installation, wiring, or appliances, or from violation of Tupelo Water & Light Department's rules, or from accidents which may occur upon customer's premises.

6. **UNDERGROUND SERVICE LINES**: Customers desiring underground service lines from Tupelo Water & Light Department's overhead power service system must bear the expense thereof. Specifications and terms for such construction will be furnished by Tupelo Water & Light Department.

7. **CUSTOMER'S RESPONSIBILITY FOR WATER & LIGHT DEPARTMENT'S PROPERTY**: All meters, service connections and other equipment furnished by Tupelo Water & Light Department shall be, and remain, the property of Tupelo Water & Light Department on its premises. In the event of loss or damage to Tupelo Water & Light Department's property, arising from neglect of customer to care for same, the cost of necessary repairs or replacements shall be paid by customer.

8. **RIGHT OF ACCESS**: The Tupelo Water & Light Department's identified employee shall have access to customer's premises at all reasonable times for the purpose of reading meters, testing, repairing, removing or exchanging any or all equipment belonging to Tupelo Water & Light Department.

9. **BILLING**: Utility bills will be rendered monthly and shall be paid within ten (10) days from the date of bill at the Tupelo Water & Light Department Collection Office located at 320 Court Street, Tupelo, Mississippi. Failure to receive a bill will not release Customer from payment obligation. If the bill is not paid on time, the Tupelo Water & Light Department may at any time thereafter discontinue service. Bills paid on or before the final date of payment shall be payable at the net rates, which is the gross less late penalty (commercial accounts only) but thereafter the gross rates shall apply, as provided in SCHEDULE OF RATES AND CHARGES. Should the final date for payment of the bill fall on a weekend or holiday, the next business day following the final date will be held as a day for grace for delivery of payment.

10. **LATE NOTICE**: A late notice will be prepared on all Tupelo Water & Light service accounts that have not been paid by the due date on the bill. A three dollar (\$3.00) Late Notice Charge will be assessed to all accounts receiving a late notice. This notice will notify the customer of their disconnection date, which will be ten (10) days following the due date. A twenty five dollar (\$25.00) service charge will be added to all accounts disconnected for non-payment.

11. **DISCONNECTION FOR NON-PAYMENT**: The disconnection date on all accounts shall be ten (10) days following the due date. A late notice mailed to all customers with unpaid balances will notify customers of their disconnection date. A twenty five dollar (\$25.00) service charge will be assessed to all accounts disconnected for non-payment. On all accounts requiring a lineman & bucket truck to disconnect, a one hundred dollar (\$100.00) service charge will be assessed. All service charges will be assessed to accounts subject for disconnect for non-payment at the time disconnect orders are picked-up by the Serviceman.

12. **DISCONTINUANCE OF UTILITY SERVICE**: Customers who desire to discontinue utility service are required to sign a disconnect form stating the date they desire the service to be discontinued and must give at least one (1) day notice to that effect. The Tupelo Water & Light Department may refuse to connect or may disconnect service for the violation of any of its Rules and Regulations, or for violation of any of the provisions of the SCHEDULE OF RATES AND CHARGES, or of the application of the customer or contract with the customer. The Tupelo Water & Light Department may discontinue service to customer for the theft of water or current or the appearance of water or current theft devices on the premises of customer. The discontinuance of service by Tupelo Water & Light Department for any causes as stated in this rule does not release customer from his or her obligation to Tupelo Water & Light Department for payment of minimum bills as specified in application of the customer or contract with the customer.

13. **SERVICE CHARGES FOR TEMPORARY SERVICE**: Customers requiring water and electric service for a period not exceeding sixty (60) days may be required by Tupelo Water & Light Department to pay all

costs for connection and disconnection incidental to the supplying and removing of service. This rule applies to circuses, carnivals, fairs, temporary construction and other temporary Customers. Active customers, who have a history of paying promptly with no violation of these rules and regulations who are in need of temporary service, and who have previously paid a service deposit, are not required to pay another deposit.

14. **INTERRUPTION OF SERVICE**: The Tupelo Water & Light Department will use reasonable diligence to provide a regular and uninterrupted supply of electricity and water but, in case the supply of electricity or water should be interrupted, Tupelo Water & Light Department shall not be liable for any damages resulting from this interruption.

15. **VOLTAGE FLUCTUATION CAUSED BY CUSTOMER**: Electric service must not be used in such a manner as to cause unusual fluctuations or disturbances to the Department's system. Tupelo Water & Light Department requires each customer, at his own expense, to install suitable apparatus which will reasonably limit such fluctuations.

16. **ADDITIONAL LOAD**: The service connection, transformers, meters and equipment supplied by Tupelo Water & Light Department for each customer have definite capacity, and no addition to the equipment or load connected thereto will be allowed except by consent of Tupelo Water & Light Department. Failure to give notice of additions or changes in load, and to obtain consent for the same, shall render the customer liable for damage to any of Tupelo Water & Light Department's lines or equipment caused by the additional or changed installation.

17. **STANDBY AND RESALE SERVICE**: All purchased electric service (other than emergency or standby service) used on the premises of each customer shall be supplied exclusively by Tupelo Water & Light Department, and the customer shall not directly or indirectly, sell, sublet, assign, or otherwise dispose of, the electric service or any party thereof.

18. **NOTICE OF TROUBLE**: Customer shall notify Tupelo Water & Light Department immediately if the service is unsatisfactory for any reason, or should there be any defects, trouble or accidents affecting the supply of water or electricity. Such notices, if verbal, should be confirmed in writing.

19. **NON-STANDARD SERVICE**: The customer shall pay the cost of any special installation necessary to meet his or her particular requirements for service other than one standard voltage, or for the supply of closer voltage regulation than required by standard practice. The Tupelo Water & Light Department may, at its discretion, provide and install the additional facilities on a fixed monthly rental basis in lieu of payment of cost by the customer.

20. **METER TESTS**: The Tupelo Water & Light Department will, at its own expense, make periodic tests and inspections of its meters in order to maintain a high standard of accuracy. The Tupelo Water & Light Department will make additional tests or inspections of its meters at the request of the customer. If such tests show that the meter is accurate within 2%, slow or fast, no adjustment will be made in the customer's bill and the testing charge of ten dollars (\$10.00) per meter shall be paid by the customer. In case the test shows meter to be in excess of 2% fast or slow, an adjustment shall be made in the customer's bill over a period of not over thirty (30) days prior to date of such tests, and the cost of the test shall be borne by the Tupelo Water & Light Department.

21. **FILING AND POSTING**: A copy of the RULES AND REGULATIONS, together with a copy of THE TUPELO WATER & LIGHT DEPARTMENT'S SCHEDULE OF RATES AND CHARGES, shall be kept open to inspection at the office of Tupelo Water & Light Department.

22. **SCOPE**: These RULES AND REGULATIONS are a part of all the contracts for receiving water, electric and other utility service from the Tupelo Water & Light Department, whether the service is based upon contract, agreement, signed application or otherwise.

23. **REVISIONS**: These RULES AND REGULATIONS may be revised, amended, supplemented, or otherwise changed from time to time without specific notice to the customer. Such changes, when effective, shall be available at the Collection Office and shall have the same force as the present RULES AND REGULATIONS.

24. **CONFLICT**: In case of conflict between any provision of any rate schedule and these RULES AND REGULATIONS, the rate schedule shall apply.

25. **TAMPERING WITH METERS**: If Tupelo Water & Light Department finds that there is reasonable ground for believing that any meter or meters intended to measure or register the quantity of water, electric light or power has been tampered with as to alter the measured usage or that any electric seal is broken, a minimum administrative fee of one hundred dollars (\$100.00) will be assessed the meter holder. The customer may be prosecuted in municipal court notwithstanding the administrative fee.

26. **ESTIMATING BILLS**: In the event that Tupelo Water & Light Department is unable to or prevented from reading a customer's meters, then the Tupelo Water & Light Department may charge an estimated bill based on previous usage, an average or other reasonable basis; provided, however, that the estimated bill does not relieve the customer from financial responsibility during the period. After the meters are read, the Tupelo Water & Light Department will notify the customer of any adjustment and amounts owed.

27. **CATASTROPHIC LEAK**: In the event of a catastrophic water leak on the customer's property (beyond the point of delivery), the customer will be responsible to pay for all water meter charges, but the customer may request, in writing, an adjustment to sewer charges for the payment period covering the leak. The written request must be accompanied by documentation of the leak and the repairs, such as repair bills or a report from the professional contractor or plumber effecting the repair. Upon receipt of the request and proper documentation, the Tupelo Water & Light Department will promptly review the request, the customer's payment history and compliance with these Rules and Regulations. If the customer was in compliance, not in arrears in payment prior to the leak, and promptly repaired the leak, the Tupelo Water & Light Department is authorized to adjust the customer's sewage charges for the period covering the leak to an average sewer billing based on the prior twelve (12) months, or shorter period if a new customer. Tupelo Water & Light Department will not be obligated to make such adjustments if the customer has made more than one such request in a twenty four (24) month period or where the customer has persisted in failing to maintain the customer's water lines and system in good repair and working order.

28. **DEAD METER**: In the event that an electric or water meter malfunctions and dies, Tupelo Water & Light shall set a new meter at the residence or business. The Water & Light Department shall take meter readings covering a period of twenty four (24) hours for the purpose of estimating an electric or water bill. The prior history of seasonal usage shall be taken under consideration with the twenty four (24) hour reading to determine the bill. In the event that no consistent pattern is established, a second twenty four (24) hour reading shall be taken to determine a bill.

29. **RESIDENTIAL SERVICES**: Residential Customers of Tupelo Water & Light Department shall be limited to one (1) residential electrical service. All other electrical services shall be billed at commercial rates as defined in the General Power Schedule (GSA).
