The undersigned hereby makes application for Service at the above address and agrees to pay for said service as measured by the City's meter according to rate application.

The applicant agrees to permit authorized agents of the City free access to the premises of the customer for the purpose of inspecting, reading or removing property of the City.

The City shall have the right, but shall not be obligated, to inspect and installation before electric service is introduced, or at anytime, and reserves the right reject any wiring or appliances not in accordance with City's standards; but such inspection or failure to inspect shall not be regarded as an insurance against defects in installation, wiring or appliance, or from violation of the City's rules and regulations or from accidents which may occur upon consumer's premises.

The applicant agrees that this application is subject to the City's Rules and Regulations, a copy of which is open for inspection at the office of the city, and that these Rules and Regulations are part of this agreement.

In the case of default of payment I promise to pay any legal interest due, together with any collection agency costs and reasonable attorney fees incurred in an effort to collect on this account and any subsequent location. The customer is expected to seek resolution of billing disputed and other service issues by notifying and working with the Distributor. If the dispute isn't resolved, refer to Distributor's schedule of Rules and Regulations for information about TVA's complaint resolution process.
