102 Employee Relations

The City of Tupelo believes that the work conditions, wages, and benefits it offers to its employees are competitive with those offered by other employers in this area and among other municipalities in the state. If employees have concerns about work conditions or compensation, they are strongly encouraged to voice these concerns openly and directly to their supervisors, the Human Resources Department or a member of management.

It has been proven that when employees deal openly and directly with supervisors, the work environment can be excellent, communications can be clear, and attitudes can be positive. The City of Tupelo amply demonstrates its commitment to employees by responding effectively to employee concerns.

The offer of employment and assignment to duties is contingent upon satisfactory completion of the exam.

In addition to a pre-employment medical examination, employees of the Tupelo Police and Fire Departments are required to undergo yearly medical and physical examinations based on standards established by each Department.

In the event an employee does not successfully complete his/her medical exams, the City, at its expense, may require an additional examination or further testing to determine the employee's fitness for employment.

Information on an employee's medical condition or history will be kept separate from other employee information and maintained confidentially. Access to this information will be limited to those who have a legitimate need to know.

107 Hiring	Supersedes:	

107 Hiring

The City of Tupelo provides employees an opportunity to indicate their interest in open positions and advance within the organization according to their skills and experience. Job posting is a way to inform employees of openings and to identify qualified and interested applicants who might not otherwise be known to the hiring manager. If positions are not filled internally after posting for five days, notices of all regular, full-time job openings are posted on the City's official website, although the City of Tupelo reserves its discretionary right to not post a particular opening.

The job postings will include requirements for the positions available. Any examination required for a job posting will be job-related and seek to fairly measure the relative merit and fitness of the applicant. Candidates who are determined to be eligible by the Human Resources Department will be placed on an eligibility list for employment consideration by the City for up to one year. As vacancies in a job occur, department heads will select from the eligible candidates on file.

Other recruiting sources may also be used to fill open positions in the best interest of the organization.

City of Tupelo Employee Handbook	Policy#	108
Section 1 Employment	Effective Date:	1/1/19
108 Conflicts of Interest	Supersedes:	

108 Conflicts of Interest

The City of Tupelo's success depends on the hard work, dedication, and integrity of its employees. Because of a mutual dependency existing between employer and employee, all employees are expected to devote their energies and loyalties to the City.

Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest provided by this policy manual as establishing the framework within which the City of Tupelo strives to conduct its business. The purpose of these guidelines is to provide general direction so that employees can seek further clarification on issues related to the subject of acceptable standards of operation. Contact the Human Resources Department for more information or questions about conflicts of interest.

An actual or potential conflict of interest occurs when an employee is in a position to influence a decision that may result in a personal gain for that employee or for a relative as a result of the City of Tupelo's business dealings. For the purposes of this policy, a relative is a spouse, child or parent of a City employee, or any other person with such a close bond as to suggest a conflict of interest.

There is no presumption of guilt created by the mere existence of a relationship with outside firms. However, if employees have any influence on transactions involving purchases, contracts, or leases, it is imperative that they disclose as soon as possible to an officer of the City of Tupelo the existence of any actual or potential conflict of interest so that safeguards can be established to protect all parties.

Personal gain may result not only in cases where an employee or relative has a significant ownership in a firm with which the City of Tupelo does business, but also when an employee or relative receives any kickback, bribe, substantial gift, or special consideration as a result of any transaction or business dealings involving the City of Tupelo.

109 Disability Accommodation	Supersedes:	

109 Disability Accommodation

The City of Tupelo is committed to complying fully with the Americans with Disabilities Act (ADA) and ensuring equal opportunity in employment for qualified persons with disabilities. All employment practices and activities are conducted on a non-discriminatory basis.

Hiring procedures have been reviewed and provide persons with disabilities meaningful employment opportunities. Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position.

Reasonable accommodation is available to all disabled employees, where their disability affects the performance of job functions. All employment decisions are based on the merits of the situation in accordance with defined criteria, not the disability of the individual.

Qualified individuals with disabilities are entitled to equal pay and other forms of compensation as well as in job assignments, classifications, organizational structures, position descriptions, lines of progression, and seniority lists. Leave of all types will be available to all employees on an equal basis.

The City of Tupelo is also committed to not discriminating against any qualified employees or applicants because they are related to or associated with a person with a disability. The City will follow any state or local law that provides individuals with disabilities greater protection than the ADA.

This policy is neither exhaustive nor exclusive. The City of Tupelo is committed to taking all other actions necessary to ensure equal employment opportunity for persons with disabilities in accordance with the ADA and all other applicable federal, state, and local laws.

Supporting Information

The City of Tupelo may ask for additional information about the disability and the accommodation requested. If the employee fails to provide the requested information, the request for an accommodation may be denied.

Determinations

The City of Tupelo makes determinations about disability accommodations on a case-by-case basis considering various factors and based on an individualized assessment in each situation.

The City of Tupelo strives to make determinations on disability accommodation requests expeditiously and will inform the individual once a determination has been made. Any questions about an accommodation request made should be directed to the Human Resources Department.

If an employee believes an accommodation is needed because of religious beliefs or practices or lack thereof, a request orally or in writing for an accommodation should be submitted to the Human Resources Department. - A description of the accommodation requested.
- The reason for an accommodation.
- How the accommodation will help resolve the conflict between the religious beliefs or practices or lack thereof and one or more of the work requirements.

After receiving the oral or written request, the City of Tupelo will engage in a dialogue with the employee to explore potential accommodations that could resolve the conflict between the religious beliefs and practices and one or more of the work requirements. The City of Tupelo encourages employees to suggest specific reasonable accommodations that would resolve any such conflict. However, the City of Tupelo is not required to make the specific accommodation requested and may provide an alternative, effective accommodation, to the extent any accommodation can be made without imposing an undue hardship on the City of Tupelo.

SECTION 2 EMPLOYMENT STATUS & RECORDS

201 Employment Categories

It is the intent of the City of Tupelo to clarify the definitions of employment classifications so that employees understand their employment status and benefit eligibility. These classifications do not guarantee employment for any specified period of time. Accordingly, the right to terminate the employment relationship at-will at any time is retained by both the employee and the City of Tupelo.

Each employee is designated as either NONEXEMPT or EXEMPT from federal and state wage and hour laws. NONEXEMPT employees are entitled to overtime pay under the specific provisions of federal and state laws. EXEMPT employees are excluded from specific provisions of federal and state wage and hour laws. An employee's EXEMPT or NONEXEMPT classification may be changed only upon written notification by the City of Tupelo management.

In addition to the above categories, each employee will belong to one other employment category:

REGULAR FULL-TIME employees are those who are not in a temporary status and who are regularly scheduled to work the City of Tupelo's full-time schedule. Generally, they are eligible for the City of Tupelo's benefit package, subject to the terms, conditions, and limitations of each benefits program.

PART-TIME employees are those who are not assigned to a temporary or introductory status and who are regularly scheduled to work twenty (20) hours or more per week. While they do receive all legally mandated benefits (such as Social Security and workers' compensation insurance), they may also be eligible for other benefits programs (such as PERS, Health Insurance and Paid Holidays), but not eligible for Vacation Benefits.

TEMPORARY employees are those who are hired as interim replacements, to temporarily supplement the work force, or to assist in the completion of a specific project. Employment assignments in this category are of a limited duration and shall not extend beyond one (1) year. Employment beyond any initially stated period does not in any way imply a change in employment status. Temporary employees retain that status unless and until notified of a change. While temporary employees receive all legally mandated benefits (such as workers' compensation insurance and Social Security), they are ineligible for all of the City of Tupelo's other benefits programs.

SEASONAL employees are those employees who work full-time during a particular season. Other than Social Security and workers' compensation benefits, seasonal employees are ineligible for any the City of Tupelo's benefits package.

An employee may file a written request with the Human Resources Department for a copy of his or her personnel file.

It is the responsibility of each employee to promptly notify the City of Tupelo of any changes in personnel data. Job descriptions may also be rewritten periodically to reflect any changes in the position's duties and responsibilities. All employees will be expected to help ensure that their job descriptions are accurate and current, reflecting the work being done.

Performance evaluations may be scheduled approximately every twelve (12) months, coinciding with the anniversary of the employee's original date of hire with any adjustment in pay to begin with the next pay period. Employees with the City Police and Fire Departments should check with their respective department chiefs as to certain additional restrictions on outside employment.

Unless specifically authorized by state statute and local ordinance, employees may not utilize City-issued uniforms, equipment or vehicles for use in a non-City job unless approved by City Council.

208 Employment Separation

Separation of employment is a part of personnel activity within any organization, and many of the reasons for separation are routine. Below are examples of some of the most common circumstances under which employment is terminated:

- **Resignation** - voluntary act initiated by the employee to terminate employment with the City of Tupelo. Although advance notice is not required, the City of Tupelo requests at least two (2) weeks' written resignation notice from all employees. Prior to an employee's departure, the City will strive to schedule an exit interview to discuss the reasons for resignation and the effect of the resignation on benefits.
- **Discharge** - involuntary employment termination initiated by the organization.
- **Layoff** - involuntary employment termination initiated by the organization for nondisciplinary reasons.
- **Retirement** - voluntary employment termination initiated by the employee meeting age, length of service, and any other criteria for retirement from the organization.

The City of Tupelo will strive to schedule exit interviews at the time of employment termination. The exit interview will afford an opportunity to discuss such issues as employee benefits, conversion privileges, repayment of outstanding debts to the City of Tupelo, or return of City-owned property. Suggestions, complaints, and questions can also be voiced.

Since employment with the City of Tupelo is based on mutual consent, both the employee and the City of Tupelo have the right to terminate employment at will, with or without cause, at any time. Employees will receive their final pay in accordance with applicable state law.

Employee benefits will be affected by employment termination in the following manner: All accrued, vested benefits that are due and payable at termination will be paid. Some benefits may be continued at the employee's expense if the employee so chooses. The employee will be notified in writing of the benefits that may be continued and of the terms, conditions, and limitations of such continuance.

The City of Tupelo practices progressive discipline when addressing employees' behavior that is not consistent with the City's policies and procedures. An employee will be given notice, either verbal or written, of the inconsistent behavior and an opportunity to correct the behavior. However, not all behavior may be deemed correctable, and certain behavior may be deemed too severe for corrective measures, thereby requiring other more appropriate disciplinary actions which may include termination.

Documentation of disciplinary actions will be kept on file with the Human Resources Department.

302 Bereavement Leave

Employees who wish to take time off due to the death of an immediate family member should notify their supervisor immediately.

Regular full-time employees will receive up to three (3) days of paid bereavement leave

Members of the Fire Department will receive twenty-four (24) work hours of paid bereavement leave due to the nature of the shift work.

Bereavement pay is calculated based on the base pay rate at the time of absence.

Bereavement leave will normally be granted unless there are unusual business needs or staffing requirements. Employees may, with their supervisors' approval, use any available paid leave for additional time off as necessary.

For purposes of this policy, "immediate family" means spouse, mother, father, mother-in-law, father-in-law, children, sister, brother, daughter-in-law, son-in-law, brother-in-law, sister-in-law, grandparents, and grandchildren. Current step-grandparents, stepchildren, stepfather, stepmother, stepfather-in-law, niece nephew, or cousin, who resides in your household or over whom you are a court appointed guardian or conservator might also be treated as "immediate family."

303 Family and Medical Leave

Under the Family and Medical Leave Act (FMLA), the City of Tupelo provides unpaid family and /or medical leave to eligible employees for up to a total of twelve (12) workweeks during a twelve month period for one or more of the following:

- the birth of a son or daughter and in order to care for that son or daughter (leave to be completed within one year of the child's birth);
- the placement of a son or daughter with you for adoption or foster care and in order to care for the newly placed son or daughter (leave to be completed within one year of the child's placement);
- to care for a spouse, son, daughter, or parent with a serious health condition;
- to care for your own serious health condition, which renders you unable to perform any of the essential functions of your position; or
- a qualifying exigency of a spouse, son, daughter, or parent who is a military member on covered active duty or called to covered active duty status (or has been notified of an impending call or order to covered active duty).

Both Spouses Employed by the City of Tupelo

Spouses who are both employed by the City of Tupelo and eligible for FMLA leave may be limited to a:

- Combined total of 12 weeks of leave during the 12-month period if leave is requested:
 - for the birth of a son or daughter and in order to care for that son or daughter;
 - for the placement of a son or daughter with the employee for adoption or foster care and in order to care for the newly placed son or daughter; or
 - to care for an employee's parent with a serious health condition.
- Combined total of 26 weeks in a single 12-month period if the leave is either for:
 - military caregiver leave; or
 - a combination of military caregiver leave and leave for other FMLA-qualifying reasons.

In general, leaves of absence granted under this policy are unpaid leaves of absence. Absence based on the employee's own serious health condition may qualify as paid absence under the City's sick leave plan. Additionally, employees are required to use accrued sick leave, personal leave, holidays and vacation during a leave subject to the FMLA.

1. Eligible employees. Family/medical leave is available to all regular full-time and part-time employees who have completed at least twelve (12) months of service with the City and have worked a minimum of 1,250 hours for the City in the twelve (12)-month period immediately preceding the commencement of the leave.

City of Tupelo Employee Handbook	Policy#	303
Section 3 Employee Benefit Programs	Effective Date:	1/1/19
303 Family and Medical Leave	Supersedes:	

2. Leave duration. Eligible employees are entitled to up to a total of twelve (12) workweeks of leave during a twelve (12)-month period. The twelve (12)-month period is measured backward from the date an employee uses any FMLA leave. Thus, each time an employee takes FMLA leave, the remaining leave entitlement would be any balance of the twelve (12) weeks that has not been used during the immediately preceding twelve (12) months. All FMLA leave will run concurrently with other similar leaves mandated by law, and all vacation, personal leave, and sick leave used during the leave will be included as part of the twelve (12) week period provided by this policy. Any combination of medical and family leave may not exceed the maximum limit of twelve (12) weeks for any employee.

3. Leave conditions. The following conditions are required under the FMLA:

* Employee notice requirements. Employees requesting FMLA leave must provide at least thirty (30) days' advance notice before leave is to begin, or if the need for leave is unanticipated, the employee should provide as much advance notice as practicable; normally, notice for unanticipated leave must be given within two (2) business days of when the need for the leave becomes known. Leave of absence request forms may be obtained from the personnel department. For an employee's own serious health condition or that of a family member, an employee on leave must notify his or her supervisor every thirty (30) days of the status of the condition and intent to return to work. Employees must provide the City two (2) days' advance notice of their intent to return to work. In all cases, when a decision is made by the employee not to return to work, the employee must notify the City immediately.

* Birth of a child and in order to care for the newborn; adoption; placement of a foster child. Unless otherwise provided by law, leave for these purposes must be taken in consecutive weeks and completed within the twelve (12)-month period following the birth or placement of the child with the employee.

* Leave to care for a child, spouse, or parent with a serious health condition or the employee's own serious health condition. For purposes of this policy, a serious health condition entitling an employee to FMLA leave means an illness, injury, impairment, or physical or mental condition that involves in-patient care (including any period of incapacity, or continuing treatment by a health care provider). Employees may take leave for these purposes on a consecutive basis or intermittently, or the employee may request to be placed on a reduced work week or reduced workdays. An employee must request a leave anytime he or she is absent or expects to be absent due to his or her own serious health condition for more than three (3) consecutive work days.

* Nonconsecutive periods of leave. If an employee requests an intermittent or reduced schedule leave due to a serious health condition (either his or her own or that of a covered family member, *i.e.* child, spouse or parent), the City may require the employee to transfer temporarily to an alternative position for which the employee is qualified to better accommodate the recurring periods of leave the employee will require. Employees transferred under such circumstances will receive equivalent pay and benefits. Employees requesting intermittent or reduced-schedule leaves for planning medical treatment for the employee or a covered family member must make a reasonable effort to schedule the treatment so as not to disrupt unduly the City's operations.

City of Tupelo Employee Handbook	Policy#	303
Section 3 Employee Benefit Programs	Effective Date:	1/1/19
303 Family and Medical Leave	Supersedes:	

4. Request for leave. When possible, employees should submit a leave of absence request form to their supervisor. When the need for leave is unanticipated, verbal notice to supervisor is sufficient. Once a request for leave is received, the City will send the employee a written response to the leave request.

5. Certification requirements. The City requires certification from a health care provider substantiating the employee's leave request anytime an employee expects to be or is absent for reasons that qualify for medical leave under the FMLA. When an employee foresees the need for leave and has provided at least thirty (30) days' notice, the employee should provide such certification before the leave begins. When this is not possible, the employee must provide the certification within fifteen (15) days of the City's request for certification. Failure to provide certification on a timely basis may delay or result in denial of the leave.

Where the leave is for the employee's own serious health condition, the City requires medical certification indicating that the employee can return to work and perform the essential functions of his or her position, with or without reasonable accommodation. Where the leave is for the serious health condition of an employee's child, spouse, or parent, the employee must provide the City with medical certification which substantiates that an employee is needed to care for a family member. The City will consider making a reasonable accommodation for any disability an employee may have where required by law and which will not cause undue hardship. Medical certification will also be required from any employee who claims he or she is unable to return to work at the scheduled conclusion of a leave or who request a leave extension. The City has no obligation to extend an employee's FMLA leave beyond the twelve (12) week period but retains the discretion to do so.

6. Use of accrued leave. Employees on an approved family/medical leave will be required to use all accrued paid sick leave, personal days, holidays and vacation (or time-not-worked benefits). Workers' compensation leave may be counted against an employee's FMLA leave if the work related illness or injury meets FMLA's definition of a "serious health condition" and if the FMLA leave entitlement is properly designated by the City at the beginning of the absence. Employees on family/medical leave will be required to exhaust all applicable pay for time-not-worked benefits; thereafter, the remainder of the leave will be unpaid. For purposes of counting the FMLA leave twenty-four (24) week entitlement, all FMLA leave will run concurrently with other applicable law-mandated leaves, if applicable.

7. Employment protection. An eligible employee who takes FMLA-protected leave is entitled to return to his or her former job or to an equivalent job with equivalent benefits, pay, and other terms and conditions of employment. However, no employee is entitled under this policy to any right, benefit, or position other than that to which the employee would have been entitled had him or her not taken leave. Thus, for example, if a layoff or reduction in force or some extenuating circumstance or business condition arises that affects the employee's position, reinstatement may not be possible. Exceptions may also apply for certain highly compensated, "key" employees under certain conditions.

8. Benefits continuation while on statutory leave. During a covered family/medical leave, the City will continue to provide its normal health insurance coverage at the level and under the conditions coverage would have been provided had the employee been continuously employed. Normal employee contributions for group health benefits, as well as for any voluntary benefits, will be deducted from any payments made to the employee while on leave. If the employee has exhausted all pay for time-not-worked benefits and his or her leave becomes unpaid, the City will contact the employee and review the available

options for continuation for such benefits. If an employee defaults on payment of health care premiums or fails to return from unpaid FMLA leave, the employer may recoup the expense of health benefits which were maintained during the leave unless the failure to return was based upon the continuation, recurrence or onset of a serious health condition of the employee or family member which would ordinarily qualify the employee for an FMLA leave or for a reason beyond the employee's control. To the extent recovery is allowed, the City will recover the cost of unpaid health care premiums through a payroll deduction from any sums due to the employee provided such deductions do not violate applicable federal or state laws. Alternatively, the employer may initiate legal action against the employee to recover such cost.

All questions about leaves of absence should be directed to the Human Resources Department.

303A Emergency Family and Medical Leave Expansion Act

To comply with the Families First Coronavirus Response Act (FFCRA) and to assist employees affected by the COVID-19 outbreak with job-protected leave under the Emergency Family and Medical Leave Expansion Act (EFMLEA) where applicable. This policy will be in effect from April 1, 2020, until December 31, 2020. Our existing FMLA leave policy still applies to all other FMLA-qualifying reasons for leave outside of this policy.

Employee Eligibility

Under EFMLEA, all current employees who have been employed with the City of Tupelo for at least 30 days and are actively scheduled for work are eligible for leave under this policy.

Employees laid off or otherwise terminated on or after March 1, 2020, who are rehired on or before December 31, 2020, are eligible for leave upon reinstatement if they had previously been employed with the City of Tupelo for 30 or more of the 60 calendar days prior to their layoff or termination.

Reason for Leave

Eligible employees who are unable to work (or telework) due to a need to care for their child when a school or place of care has been closed, or when the regular childcare provider is unavailable due to a public health emergency with respect to COVID-19.

Definitions

"Child" means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is:

- Under 18 years of age.
- 18 or older and incapable of self-care because of a mental or physical disability.

"Childcare provider" means a provider who receives compensation for providing childcare services on a regular basis, including:

- A center-based childcare provider.
- A group home childcare provider.
- A family childcare provider (one individual who provides childcare services for fewer than 24 hours per day, as the sole caregiver, and in a private residence).
- Other licensed provider of childcare services for compensation.
- A childcare provider that is 18 years of age or older who provides childcare services to children who are either the grandchild, great grandchild, sibling (if such provider lives in a separate residence), niece or nephew of such provider, at the direction of the parent.

Duration of Leave

Employees will have up to 12 weeks of leave to use from April 1, 2020, through December 31, 2020, for the purposes stated above. This time is included in and not in addition to the total FMLA leave entitlement of 12 weeks in a 12-month period.

For example, if an employee has already taken 6 weeks of FMLA leave, that employee would be eligible for another 6 weeks of FMLA leave under this policy.

Increments & Intermittent Use of Leave

Employees may take expanded FMLA leave intermittently and in any increment agreed to with their manager. For example, an employee may only need 4 hours per day of leave to care for his or her child or may only need to do so on Tuesdays and Thursdays. Managers and employees are expected to be flexible in scheduling wherever possible.

Pay During Leave

Leave will be unpaid for the first 10 days of leave; however, employees may use accrued paid vacation or personal leave during this time. The employee may also elect to use the paid leave provided under the Emergency Paid Sick Leave Act, as further explained below.

After the first 10 days, employees will be required to use any accrued vacation or personal paid leave for the number of hours the employee would otherwise be scheduled to work. Should an employee's accrued company paid leave exhaust, any additional leave taken will be paid at two-thirds of an employee's regular rate of pay. Pay will not exceed \$200 per day and \$10,000 in total, or \$12,000 in total if using emergency paid sick leave for the first two weeks. Any unused portion of this pay will not carry over to the next year.

For employees with varying hours, one of two methods for computing the number of hours paid will be used:

- If the employee has worked 6 months or more, the average number of hours that the employee was scheduled per day over the 6-month period ending on the date on which the employee takes leave, including hours for which the employee took leave of any type.
- If the employee has worked less than 6 months, the expected number of hours to be scheduled per day at the time of hire.

Employee Status and Benefits During Leave

While an employee is on leave, the company will continue the employee's health benefits during the leave period at the same level and under the same conditions as if the employee had continued to work. While on paid leave, the employer will continue to make payroll deductions to collect the employee's share of the premium. During any unpaid portions of leave, the employee must continue to make this payment per instructions from the HR department.

If the employee contributes to a life insurance or disability plan, the employer will continue making

City of Tupelo Employee Handbook	Policy#	303A

payroll deductions while the employee is on paid leave. During any portion of unpaid leave, the employee may request continuation of such benefits and pay his or her portion of the premiums, or the employer may elect to maintain such benefits during the leave and pay the employee's share of the premium payments. If the employee does not continue these payments, the employer may discontinue coverage during the leave. If the employer maintains coverage, the employer may recover the costs incurred for paying the employee's share of any premiums, whether or not the employee returns to work.

Procedure for Requesting Leave

All employees requesting FMLA leave must provide written notice of the need for leave to the HR manager as soon as practicable. Verbal notice will otherwise be accepted until written notice can be provided.

Notice of the need for leave must include:

- The name and age of the child or children being care for.
- The name of the school, place of care, or childcare provider that closed or became unavailable due to COVID-19 reasons.
- A statement representing that no other suitable person is available to care for the child or children during the period of requested leave. For children over the age of 14, a statement indicating the special circumstances that require the employee to provide care during daylight hours.

On a basis that does not discriminate against employees on FMLA leave, the company may require an employee on FMLA leave to report periodically on the employee's status and intent to return to work.

Employee Status After Leave

Generally, an employee who takes FMLA leave will be able to return to the same position or a position with equivalent status, pay, benefits and other employment terms. The company may choose to exempt certain key employees from this requirement and not return them to the same or similar position when doing so will cause substantial and grievous economic injury to business operations . Key employees will be given written notice at the time FMLA leave is requested of their status as a key employee.

Please contact the HR department with any questions.

WORKERS' COMPENSATION INSURANCE

The City of Tupelo provides a comprehensive workers' compensation insurance program at no cost to employees. This program covers any injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment. Subject to applicable legal requirements, workers' compensation insurance provides benefits after a short waiting period or, if the employee is hospitalized, immediately.

Employees who sustain work-related injuries or illnesses should inform their supervisor immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage as quickly as possible.

HEALTH INSURANCE

The City of Tupelo's health insurance plan provides employees and their dependents access to medical insurance benefits. Employees in the following employment classifications are eligible to participate in the health insurance plan:

- Regular full-time employees
- Part-time employees working more than 30 hours

Eligible employees may participate in the health insurance plan subject to all terms and conditions of the agreement between the City of Tupelo and the insurance carrier.

A change in employment classification that would result in loss of eligibility to participate in the health insurance plan may qualify an employee for benefits continuation under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Details of the health insurance plan are described in the Summary Plan Description (SPD). An SPD and information on cost of coverage will be provided in advance of enrollment to eligible employees. Contact the Human Resources Department for more information about health insurance benefits.

COBRA gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the City of Tupelo's health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are:

- Resignation.
- Termination of employment (for reasons other than gross misconduct).
- Death of an employee.
- Reduction in an employee's hours or a leave of absence.
- Employee's divorce or legal separation.
- Dependent child no longer meeting eligibility requirements.

A qualified beneficiary is an individual who, on the day before a qualifying event, was covered under a group health plan because the individual was:

- The spouse of a covered employee.
- The dependent child of a covered employee.

Under COBRA, the employee or other beneficiary pays the full cost of coverage at the City of Tupelo's group rates plus an administration fee. The period of coverage continuation is subject to the qualifying event. The City of Tupelo provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the City of Tupelo's health insurance plan. The notice contains important information about the employee's rights and obligations. Contact the Human Resources Department with any questions concerning benefits under COBRA.

LIFE INSURANCE

Life insurance offers an employee and their family important financial protection. The City of Tupelo provides a basic life insurance plan for eligible employees.

Employees in the following employment classifications are eligible to participate in the life insurance plan:

- Regular full-time employees

Eligible employees may participate in the life insurance plan subject to all terms and conditions of the agreement between the City of Tupelo and the insurance carrier.

- * Independence Day (July 4)
- * Labor Day (first Monday in September)
- * Veterans' Day (November 11)
- * Thanksgiving (fourth Thursday in November)
- * Christmas (December 25)

The City of Tupelo will grant paid holiday time off to all eligible employees immediately upon assignment to an eligible employment classification. Holiday pay will be calculated based on the employee's straight-time pay rate (as of the date of the holiday) times the number of hours the employee would otherwise have worked on that day. Eligible employee classification(s):

* All regular full-time and regular part-time employees (except employees of the Emergency Services Division of the Tupelo Fire Department)

An employee may utilize earned compensatory time or vacation days in lieu of working the last scheduled day immediately preceding and the first scheduled day immediately following a holiday.

Unless on authorized leave, employees must work the day before a holiday, the holiday if required, and the day after a holiday to receive holiday pay.

A recognized holiday that falls on a Saturday will be observed on the preceding Friday. A recognized holiday that falls on a Sunday will be observed on the following Monday.

If eligible nonexempt employees work on a recognized holiday, they will receive holiday pay plus wages at their straight-time rate for the hours worked on the holiday.

306 Jury Duty

The City of Tupelo encourages employees to fulfill their civic responsibilities by serving jury duty when required. Employees in an eligible classification may request up to two (2) weeks of paid jury duty leave over any two (2) year period.

Jury duty pay will be calculated on the employee's base pay rate times the number of hours the employee would otherwise have worked on the day of absence. Employee classifications that qualify for paid jury duty leave are:

- * Regular full-time employees
- * Regular part-time employees

If employees are required to serve jury duty beyond the period of paid jury duty leave, they may use any available paid time off (for example, vacation benefits and/or sick leave) or may request an unpaid jury duty leave of absence.

When a City employee who has served as a juror receives jury pay for such service, the employee may have the option to turn in such pay to his supervisor as soon as such payment is received or keep the jury fee and take unpaid leave as permitted in Section 315 of this handbook.

Employees must show the jury duty summons to their supervisor as soon as possible so that the supervisor may make arrangements to accommodate their absence. Of course, employees are expected to report for work whenever the court schedule permits.

Either the City of Tupelo or the employee may request an excuse from jury duty if, in the City of Tupelo's judgment, the employee's absence would create serious operational difficulties.

The City of Tupelo will continue to provide health insurance benefits (on the same basis as before) for the full term of the jury duty absence.

Benefit accruals such as vacation, sick leave, or holiday benefits will be suspended if jury duty exceeds thirty (30) days and will resume upon return to active employment.

307 Military Leave

(1) Reservists and Members of the National Guard: Most employees serving in the Reserve or National Guard may be granted military leave to enable them to attend certain types of training as Reservists or Guard members, pursuant to Section 33-21-21 of the Mississippi Code Annotated (1972, as amended) and 38 U.S.C.A. Section 4301, *et seq.* Employees taking leave for military reasons are expected to give reasonable notice of their need for leave, and to show their orders to their immediate supervisor as soon as they receive the orders. An employee who fails to provide reasonable notice of the need for military leave risks not being reemployed, unless providing reasonable notice was impossible, unreasonable or precluded by military considerations.

Military leave may be granted as listed in the following two sections, subject to the requirements provided below:

- a. Leave for periods not to exceed one hundred twenty (120) hours will be provided without loss of pay, time, annual leave, or efficiency rating until relieved from duty.
- b. Leave for certain periods in excess of fifteen (15) days will be provided without loss of pay, time, annual leave, or efficiency rating until relieved from duty.

An employee taking military leave may be restored to the position held before leave or a position of equivalent status, seniority and pay, provided that the employee:

- a. received a certificate of satisfactory completion of service when discharged or released from the armed forces,
- b. is still qualified to perform the duties of such position, and,
- c. has applied for re-employment within ninety (90) days after the employee was relieved from such training and service or released from hospitalization for a period of not more than one (1) year for causes attributable to such services.

At the end of active duty employees are required to report for work within the applicable time period, depending on length of leave, and may be able to return to their former job, a job equal in status and pay, or a job to which the employee may be entitled under Section 33-1-21, *et seq.* of the Mississippi Code Annotated (1972, as amended) and 38 U.S.C.A. Section 4301, *et seq.*

Upon reemployment, a returning uniformed service member may be entitled to all seniority-based benefits or rights to such benefits that he or she would have accrued if he or she had remained employed. A returning uniformed service member may also be entitled to all non-seniority benefits and rights to benefits in the same manner as any employee on a leave of absence according to the City's policies in place at the time the leave began or that were implemented while the employee was on leave.

308 Personal Leave

The City of Tupelo provides leaves of absence without pay to eligible employees who wish to take time off from work duties to fulfill personal obligations. Regular full-time employees are eligible to request personal leave as described in this policy:

Personal leave may be granted for a period of up to six (6) calendar days every one (1) year. If this initial period of leave proves insufficient, consideration will be given to a written request for a single extension of no more than thirty (30) calendar days. With the supervisor's approval, an employee may take any available sick leave or vacation leave as part of the approved period of leave.

Requests for personal leave will be evaluated based on a number of factors, including anticipated work load requirements and staffing considerations during the proposed period of absence.

Subject to the terms, conditions, and limitations of the applicable plans, health insurance benefits will be provided by the City of Tupelo for the full period of the approved personal leave. When the employee returns from personal leave, benefits will again be provided by the City of Tupelo according to the applicable plans.

Benefit accruals, such as vacation, sick leave, or holiday benefits, will be suspended during the leave and will resume upon return to active employment.

If an employee fails to report to work promptly at the expiration of the approved leave period, the City of Tupelo will assume the employee has resigned.

309 Sick Leave Benefits

The City of Tupelo provides paid sick leave benefits to all eligible employees for periods of temporary absence due to illnesses or injuries. Regular full-time employees are the eligible employee classification

Eligible employees will accrue sick leave benefits at the rate of twelve (12) days per year (1 day for every full month of service). Sick leave benefits are calculated on the basis of a "benefit year," the twelve (12) month period that begins when the employee starts to earn sick leave benefits which is the date the employee begins work for the City.

Employees of the Emergency Services Division of the City of Tupelo Fire Department will accrue sick leave benefits at the rate of 11.2 hours per month.

Employees can request use of paid sick leave after completing a waiting period of one hundred eighty (180) calendar days from the date they become eligible to accrue sick leave benefits. Paid sick leave can be used in minimum increments of one-quarter of one hour. Eligible employees may use sick leave benefits for an absence due to their own illness or injury or may donate a portion of such leave to another City employee in accordance with the Donation of Leave policy found at Section 601 of this employee handbook. For the purpose of this policy, a "dependent family member" means any person related by blood or marriage to a City of Tupelo employee who lives in the employee's household and depends on the employee for care.

Employees who are unable to report to work due to illness or injury should notify their direct supervisor before the scheduled start of their workday if possible. The direct supervisor must also be contacted on each additional day of absence. If an employee is absent for three (3) or more consecutive days due to illness or injury, a physician's statement must be provided verifying the disability and its beginning and expected ending dates. Such verification may be requested for other sick leave absences as well and may be required as a condition to receiving sick leave benefits. Before returning to work from a sick leave absence of three (3) calendar days or more, an employee must provide a physician's verification that he or she may safely return to work.

Sick leave benefits will be calculated based on the employee's base pay rate at the time of absence and will not include any special forms of compensation. As an additional condition of eligibility for sick leave benefits, an employee on an extended absence must apply for any other available compensation and benefits, such as workers' compensation. Sick leave benefits will be used to supplement any payments that an employee is eligible to receive from workers' compensation or the City of Tupelo-provided disability insurance programs. The combination of any such disability payments and sick leave benefits cannot exceed the employee's normal weekly earnings.

There is no limit to the number of days which can be accumulated for sick leave. Sick leave benefits are intended solely to provide income protection in the event of illness or injury, and may not be used for any other absence. Unused sick leave benefits will not be paid to employees while they are employed or upon termination of employment; however, unused sick leave shall be counted as creditable services for the purposes of the Public Employees' Retirement System as provided in Section 25-11-103 of the Mississippi Code of 1972, as amended.

Eligibility

All current full- and part-time employees currently scheduled but unable to work (or telework) due to one of the following reasons for leave:

1. The employee is subject to a federal, state or local quarantine or isolation order related to COVID-19.
2. The employee has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.
3. The employee is experiencing symptoms of COVID-19 and seeking a medical diagnosis.
4. The employee is caring for an individual who is subject to either number 1 or 2 above.
5. The employee is caring for his or her child if the school or place of care of the child has been closed, or the childcare provider of such child is unavailable, due to COVID-19 precautions.
6. The employee is experiencing any other substantially similar condition specified by the secretary of health and human services in consultation with the secretary of the treasury and the secretary of labor.

Definitions

"Child" means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is:

- Under 18 years of age.
- 18 or older and incapable of self-care because of a mental or physical disability.

"Individual" means an immediate family member, roommate or similar person with whom the employee has a relationship that creates an expectation that the employee would care for the person if he or she self-quarantined or was quarantined.

Additionally, the individual being cared for must: a) be subject to a federal, state or local quarantine or isolation order as described above; or b) have been advised by a health care provider to self-quarantine based on a belief that he or she has COVID-19, may have COVID-19 or is particularly vulnerable to COVID-19.

Section 3 Employee Benefit Programs	Effective Date:	04/01/20
309A Emergency Paid Sick Leave Act309 Sick Leave Benefits	Supersedes:	

Amount of Paid Sick Leave

All eligible full-time employees will have up to 80 hours of paid sick leave available to use for the qualifying reasons above. Eligible part-time employees are entitled to the number of hours worked, on average, over a two-week period.

For employees with varying hours, one of two methods for computing the number of hours paid will be used:

- If the employee has worked 6 months or more, the average number of hours that the employee was scheduled per day over the 6-month period ending on the date on which the employee takes leave, including hours for which the employee took leave of any type.
- If the employee has worked less than 6 months, the expected number of hours to be scheduled per day at the time of hire.

Increments and Intermittent Use of Leave

When working from home, employees may take emergency paid sick leave intermittently and in any increment agreed to with their manager. As in the example for FMLA leave, an employee may only need 4 hours per day of leave to care for his or her child or may only need to do so on Tuesdays and Thursdays. Managers and employees are expected to be flexible in scheduling wherever possible.

For those not teleworking and currently working onsite, an employee may only take intermittent leave for reason 5 above, to care for his or her child when the school or place of care is closed, or the caregiver is unavailable due to COVID-19-related reasons. Per the regulations, as all other reasons for emergency paid sick leave could potentially expose an employee or others in the workplace to the virus, employees must either use the full amount of paid sick leave or use it in full-day increments until the reason for leave is over and it is safe for the employee to return to work.

Rate of Pay

Emergency sick leave will be paid at the employee's regular rate of pay, or minimum wage, whichever is greater, for leave taken for reasons 1-3 above. Employees taking leave for reasons 4-6 will be compensated at two-thirds their regular rate of pay, or two-thirds of the applicable federal or state minimum wage, whichever is greater. Pay will not exceed:

- \$511 per day and \$5,110 in total for leave taken for reasons 1-3 above.
- \$200 per day and \$2,000 in total for leave taken for reasons 4-6 above.

Interaction with Other Paid Leave

The employee may use emergency paid sick leave under this policy before using any other accrued paid time off for the qualifying reasons stated above.

Employees on expanded FMLA leave under this policy may use emergency paid sick leave concurrently with that leave. Emergency paid sick leave may also be used when an employee is on leave under traditional FMLA for his or her own COVID-19-related serious health condition or to care for a qualified family member with such a condition.

Procedure for Requesting Emergency Paid Sick Leave

Employees must notify their manager or the HR manager of the need and specific reason for leave under this policy. A form will be provided to all employees on the company intranet and/or in a manner accessible to all. Verbal notification will be accepted until practicable to provide written notice.

Documentation supporting the need for leave must be included with the leave request form, such as:

- A copy of the federal, state or local quarantine or isolation order related to COVID-19 applicable to the employee or the name of the government entity that issued the order.
- Written documentation by a health care provider advising the employee to self-quarantine due to concerns related to COVID-19 or the name of the provider who advised the employee.
- The name and relation of the individual the employee is taking leave to care for who is subject to a quarantine or isolation order or is advised to self-quarantine.
- The name and age of the child or children being cared for; the name of the school, place of care, or childcare provider that closed or became unavailable; and a statement that no other suitable person is available to care for the child during the period of requested leave.
 - For children over age 14, a statement indicating the special circumstances that require the employee to provide care during daylight hours.

Once emergency paid sick leave has begun, the employee and his or her manager must determine reasonable procedures for the employee to report periodically on the employee's status and intent to continue to receive paid sick time.

Carryover

Paid emergency sick leave under this policy will not be provided beyond December 31, 2020. Any unused paid sick leave will not carry over to the next year or be paid out to employees.

Job Protections

No employee who appropriately utilizes emergency paid sick leave under this policy will be discharged, disciplined or discriminated against for work time missed due to this leave.

Additional expenses arising from such nonbusiness travel are the responsibility of the employee.

311 Vacation Benefits

Vacation time off with pay is available to eligible employees who are Regular full-time employees to provide opportunities for rest, relaxation, and personal pursuits.

Initial eligibility for vacation time is one (1) year from the date an employee is hired by the City.

The amount of paid vacation time employees receive each year increases with the length of their employment as shown in the following schedule:

- Upon initial eligibility the employee is entitled to 80 hours of vacation each year.
- After 10 years of eligible service the employee is entitled to 120 hours of vacation each year.
- After 15 years of eligible service the employee is entitled to 160 hours of vacation each year.

- After ten (10) years of eligible service, the ESD employee is entitled to 240 hours of vacation per year.
- After fifteen (15) years of eligible service, the ESD employee is entitled to 296 hours of service per year.

The length of eligible service is calculated on the basis of a "benefit year." This is the 12-month period that begins when the employee starts to earn vacation time. An employee's benefit year may be extended for any significant leave of absence except military leave of absence. Military leave has no effect on this calculation. (See individual leave of absence policies for more information.)

Once employees enter an eligible employment classification, they begin to earn paid vacation time according to the schedule. Earned vacation time is available for use in the year following its accrual.

Paid vacation time can be used in minimum increments of one hour. To take vacation, employees should request advance approval from their supervisors. Requests will be reviewed based on a number of factors, including business needs and staffing requirements.

As stated above, employees are encouraged to use available paid vacation time for rest, relaxation, and personal pursuits. In the event that available vacation is not used by the end of the benefit year, the unused vacation time shall be counted as creditable service for the purposes of the Public Employee's Retirement System as provided in Section 25-11-103 of the Mississippi Code of 1972, as amended.

In lieu of overtime compensation, compensatory leave may be granted an employee in the discretion of his/her department head. SECTION 5 CITY EMPLOYMENT POLICIES

501 Safety

The City of Tupelo is committed to providing a safe and healthful work environment for employees, customers, and visitors. As a top priority, the City of Tupelo has established a workplace safety program. A Safety Committee has responsibility for implementing, administering, monitoring, and evaluating the safety program. Its success depends on the alertness and personal commitment of all.

The City of Tupelo provides information to employees about workplace safety and health issues through regular internal communication channels such as supervisor-employee meetings, bulletin board postings, memos, or other written communications.

Employees and supervisors receive periodic workplace safety training. The training covers potential safety and health hazards and safe work practices and procedures to eliminate or minimize hazards.

Each employee is expected to obey safety rules and to exercise caution in all work activities. Employees must immediately report any unsafe condition to the appropriate supervisor. Employees who violate safety standards, who cause hazardous or dangerous situations, or who fail to report or, where appropriate, remedy such situations, may be subject to disciplinary action, up to and including termination of employment.

1.2 This policy provides standards, and procedures for the use of social media sites. All official City presences on social media sites or services are considered extensions of the City’s information networks and are governed by the responsibilities set forth in this and related policies and procedures. Violations of this policy shall be considered misconduct and may result in discipline up to and including indefinite suspension/termination.

1.3 Additionally, the City recognizes that many City employees use social media tools such as Facebook in their personal lives. Therefore, this policy provides guidelines for City employees when they communicate on social media sites as a private citizen.

2. OBJECTIVE

2.1 To maintain the integrity of the City’s presence in social media and to ensure that social media is used appropriately and within City guidelines and policies.

5.2 Each departmental social media administrator is responsible for oversight of the department's social media tools and shall:

5.2.1 Review all requests to establish official City departmental social media sites and recommend approval or denial to the Mayor's Communications Office. Social media administrators shall review social media sites or tools that have already been established in their departments to ensure that they are in compliance with this policy and shall submit a request for approval of such sites in accordance with Subsection 6.4 of this executive order.

5.2.2 Ensure the department's social media sites are regularly maintained and kept current.

5.2.3 Review information posted to the department's social media sites to ensure the content is appropriate, professional, and consistent with the City's policies and the purpose for which the site exists. Frequent review of sites that provide opportunity for comment or other interaction is essential.

5.2.4 Keep the department's director informed of the department's social networking tools and activities.

5.3 City employees whose official duties include creating or posting information to a City social media site are responsible for ensuring that such information is accurate, professionally presented, respectful, relevant, and on topic with the department's mission. Thus, the Mayor's Communications Office has general oversight of all City social media sites. In disaster or emergency situations, the Mayor's Communications Office may assume control of departmental social media to ensure that communications are managed appropriately.

6.3 For social media sites and tools in existence at the time this executive order is promulgated, departmental social media administrators shall submit a request for approval for each of their department’s social media sites and tools to the Mayor’s Communications Office. Such requests must be submitted within 90 days of the date this Executive Order is promulgated unless an extension is approved in writing by the Mayor’s Communications Office.

6.4 Persons responsible for setting up or maintaining City social media sites shall provide each administrator’s access, login, and password information to the following: their departmental social media administrator, their departmental Information Technology Department Security Administrator, and the Mayor’s Communications Office. 6.4.2.5 Comply with section 7.0 of this policy.

7. DESIGN AND CONTENT OF CITY SOCIAL MEDIA SITES

7.1 Design elements (logos, background, images) should be appropriate to the subject matter and consistent with the City’s design guidelines.

7.2 Social media sites must contain a link to both the City website (www.tupeloms.gov), and the City departmental website. Each City and departmental website shall contain a clear statement of the purpose and subject matter of social media sites.

7.4.4 All content-sharing activities, such as video-sharing, shall be in good taste, appropriate, and consistent with the City’s policies.

7.5 Comments from the public are allowed on the City’s social media sites and shall be monitored daily to ensure the comments meet certain criteria; the City’s social media sites must be structured narrowly to focus discussions on a particular interest of the City rather than creating a “public forum.” Social media web sites that allow comments must contain the following text on the social media site or must include a link to the location on the departmental website containing the following text:

7.5.1 “Comments. The purpose of this site is to present matters of public interest in the City of Tupelo, Mississippi. We encourage you to submit comments, but please note that this is not a public forum.”

8. SECURITY AND PRIVACY

8.1 Applications (such as streaming video, music, photos, and subscriptions to RSS feeds) that may be useful to a City social media site’s mission can cause clutter and security risks. An application should only be used to serve a City purpose and add to the user experience, and only if it comes from a trusted source and has gone through the approval process outlined in Section 6 of this Executive Order. An application may be removed at any time if it causes a security breach or contains a virus.

9. RECORDS RETENTION AND PUBLIC INFORMATION

9.1 Records Retention. Each City department has a schedule and policy for retention of its records that complies with the State of Mississippi Department of Archives and History, Local Government Records Office General Schedules as well as the City’s Open Records Resolution. The retention period for a record depends on the content of that record, regardless of the medium in which it is maintained. Departments maintaining a City social media site or using social media tools shall preserve records on a City server for the required retention period in a format that preserves the integrity of the original record and is easily accessible. Further, departments will destroy, transfer, or otherwise dispose of records in accordance with records disposition schedules.

The department maintaining the site is responsible for responding completely and accurately to any public information requests for information on social media. Content shall be maintained in an accessible format so that it can be produced in response to a request. Difficulty in accessing the information does not excuse compliance with the MPRL. Users of City social media sites shall be notified that public information requests must be directed to the relevant departmental public information officer.

10. APPROPRIATE EMPLOYEE USE OF SOCIAL MEDIA

10.1 All City employees should understand the perception of their City association in online social networks. 10.2 Any employee posting on a publicly accessible site is expected to maintain a positive online image that is consistent with the City’s goals and objectives. Employees may be subject to disciplinary action for internet postings that are inconsistent with the interest of the City or demonstrate disloyalty to the goals and objectives of the City.

10.3 Consistent with the City’s policies on use of the City’s telephone and email systems, incidental and occasional personal use of social media is permitted during work hours provided it is very limited in duration and does not have a detrimental effect on employee productivity.

10.4 City resources, work time, social media tools, and a City employee’s official position shall not be used for personal profit or business interests or to participate in political activity. For example, a building

10.5 Personal or business venture social media account names shall not be tied to the City. For example, CityofTupeloCop would not be an appropriate personal account name.

10.6 If commenting on City business, employees should use a disclaimer which establishes that their comments represent their own opinions and do not represent those of the City of Tupelo.

10.7 Employees may not attribute personal statements or opinions to the City when engaging in private blogging or postings on social media sites.

10.10.2 Employees are expected to use good judgement when posting photos, videos, or comments to their personal social media sites. They should not post any images, videos, files, or text that would adversely affect the reputation of the City or a City department.

Relatives of current employees may not occupy a position that will be working directly for or supervising their relative. Nor shall individuals involved in a dating relationship with a current employee occupy a position that will be working directly for or supervising the employee with whom they are involved in a dating relationship. The City of Tupelo reserves the right to take prompt action if an actual or potential conflict of interest arises involving relatives or individuals involved in a dating relationship who occupy positions at any level (higher or lower) in the same line of authority that may affect the review of employment decisions.

If a relative relationship or dating relationship is established after employment between employees who are in a reporting situation described above, it is the responsibility and obligation of the supervisor involved in the relationship to disclose the existence of the relationship to management. The individuals concerned will be given the opportunity to decide who is to be transferred to another available position. If that decision is not made within thirty (30) calendar days, management will decide who is to be transferred or, if necessary, terminated from employment.

In other cases where a conflict or the potential for conflict arises because of the relationship between employees, even if there is no line of authority or reporting involved, the employees may be separated by reassignment or terminated from employment.
