Shooting Reported on Briar Ridge Road

On 01-26-2023 at approximately 2:15 pm TPD was advised of a shooting incident on Briar Ridge Road near Eason Blvd. TPD was advised that a Grey BMW was driving south on Briar Ridge Road when an unknown white vehicle (possibly a truck) pulled up beside the BMW and an unknown suspect inside the white vehicle shot at the BMW multiple times. This caused the BMW to collide with a Ford Fusion also travelling on Briar Ridge.

The unknown suspect then fled the scene. The BMW did have bullet holes in it but neither vehicles occupants were hit. The driver of the BMW was cleared by medics and the driver of the Ford went to the NMMC for treatment.

Ballistic evidence was recovered at the scene and detectives are continuing to interview witnesses. Anyone with information is asked to contact TPD at 662-841-6491, tpdrecords@tupeloms.gov or Crime Stoppers at 1-800-773-TIPS,
